Watch for the white race course road markings and corner marshals at turns). Turn left onto Lakeview Drive and drive south for 2.7 miles, crossing the Alabama state line to the first intersection at CR93. Turn left on CR93 and drive 2.4 miles to the top of Sand Mountain. Do not park directly at the summit of mountain - that is the KOM! The feed zone is immediately after the KOM.

Easy Directions: from the Patten Center, take I-24 West to Exit 161 (Haleatown). Turn right at the end of the ramp, go 0.5 mile, and then right at the stop sign onto Hwy 41. Travel 5 miles to the top of the climb.

Travel approximately 1.1 miles and then turn left at the TVA signs. Go another 200 yards, and stay to the left at the stop sign. At this point, you will be on the final finishing climb of the road race. The finish line is on your left just before the top of the climb on the road leading to the East Overlook parking lot. There is parking in a gravel lot on your left just before the final turn to the finish line, and there may also be limited parking off road just after the final turn. Parking at the East Overlook parking lot proper will be reserved for race caravan and equipment trucks.

Road Race Finish to Road Race Start (rider return directions)

From the finish line of the road race, head back down the mountain. At the bottom of the first descent, you will pass several speed bumps and a gate. Veer to the right just past the gate and continue around the corner to the stop sign. Turn right and continue to head down the mountain. About halfway down the mountain, make a sharp right turn onto Isbill Rd. Watch for signs as it is fast and easy to miss. Continue on Isbill for approximately 1.6 miles until the stop sign at Kelly's Ferry Rd. Turn left onto Kelly's Ferry Rd and continue back to the Patten Center.

Time Trial Start (East Overlook @ Raccoon Mountain)

The TT starts at the top of the mountain, about 200 yards from the Road Race finish line.

Time Trial Finish (Laurel Point @ Raccoon Mountain)

The TT finish is at Laurel Point in the far corner of the TVA property atop Raccoon Mountain. The TT is point-to-point, and the majority of the main loop at the top of the mountain (which contains the TT course) is one-way traffic. In addition, there will be limited access to Laurel Point during the two time trial waves. Please see the time trial rider instructions in the rider packet for parking and traffic details for the time trial.

criterium Course (Downtown Chattanooga)

The criterium is in downtown Chattanooga, and the course circles between Lindsey and Douglas Streets, and between 10th and 11th Streets. From I24, take Exit 178 and follow the signs to Hwy 27N / Downtown Chattanooga. Once on Hwy 27N, take Exit 1A (MLK Blvd).
